Make the body:

Draw a diagonal line on each C square.

Place one on lower left and one on lower right of wing F. Sew on the line. Trim seam to 1/4". Open out and press. Sew A to lower edge. Sew B to right side of wing. Sew background G to top of wing unit.

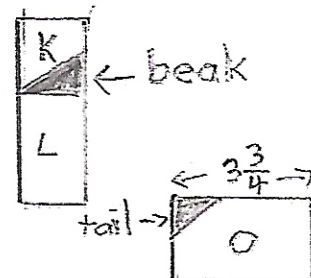

Draw a diagonal line on background H. Place on top left of neck E. Sew on line. Trim to 1/4". Open out and press. Join neck to left side of body unit.

Draw a line on each background J square. Place one on lower right and lower left of duck body unit. Sew on line. Trim seam to 1/4". Open out and press. Square duck body unit to 6" x 6"

Draw a diagonal line on BEAK square. Place on lower right of K background, noting orientation of beak. Sew on line. Trim seam to 1/4". Open out and press. Sew background L to lower edge of beak. Sew beak unit to left side of head. Sew background M to left side of duck body.

Draw a diagonal line on tail D. Place on top left of O background. Sew on line. Trim seam to 1/4". Open out and press. Sew background N to top of tail unit. Sew this unit to right side of duck body.

Make the feet: Draw a diagonal line from corner to corner on FEET square. Place on top of background 3" x 3" square. Sew 1/4" on either side of line. Cut apart on line. Open out to make two feet units. Square to 2" x 2"

Sew these together paying attention to orientation.

Sew background P to left side of feet and background Q to right side of feet unit. Sew to lower edge of block.

Sew background R to top of block. Square to 9 1/2" x 12 1/2"

You need three duck blocks and one flower block for this row.
